About This Settlement

If you received a robocall from Register.com, you may qualify for compensation from the \$1.5 million class action settlement.

Who Is Eligible?

The class action settlement benefits all persons and entities throughout the United States to whom Register.com placed a call directed to a number assigned to a cellular telephone service, using an artificial or prerecorded voice, from Feb. 12, 2021, through Nov. 24, 2025, after the number was permanently disconnected and made available for reassignment per the Federal Communications Commission's Reassigned Numbers Database.
